In reply to your letter of January 7, asking to be advised if John Kumpe and John F. Adair can be permitted to make allotment selections for their minor children, you are advised that the records of this office show that the name of Ethel Belle Kumpe, child of John Kumpe, has not, as yet, been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that said child is, prima facie, entitled to enrollment, and if this be correct, John Kumpe, father of said child, will be permitted to appear at any time in the near future and make an application for the selection of an allotment of land in the Cherokee Nation for his said child, and in the event of her final enrollment, the land for which he applies will be allotted to her.

H. Mattox-2

Mr. Kump will be promptly informed when his child is finally enrolled as a citizen of the Cherokee Nation.

Further replying to your letter, you are advised that the name of Ren F. Adair, child of John F. Adair, appears upon a partial roll of minor citizens of the Cherokee Nation, enrolled under the Act of Congress approved April 26, 1906, approved by the Secretary of the Interior December 26, 1906, opposite Number 2492. This child is now entitled to an allotment as a Cherokee citizen and application therefor may be made by John F. Adair, father of said child, at the Cherokee Land Office, Muskogee, Indian Territory.

JOR

Cherokee - 1254.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES,
CHEROKEE LAND OFFICE,
Tahlequah, I. T., March 4, 1905.

In the matter of the application for the enrollment of
Ora J. and Maude A. Anderson as citizens by blood of the Cherokee
Nation; also for selection of allotments and designations of home-
steads for them.

Joshua P. Anderson, being sworn and examined by the
Commission, testified as follows:

- Q That is your name? A Joshua P. Anderson.
Q How old are you? A 55.
Q What is your postoffice? A Eureka.
Q Are you a citizen by intermarriage of the Cherokee Nation?
A Yes sir.
Q You present requests signed by Ora J. and Maude A. Anderson for
the Commission to make, at its discretion, allotments and designa-
tions homesteads in the Cherokee nation for them, and that the
Commission be governed by your testimony and such other evidence
as it may require. Are these persons your children?
A Yes sir.
Q Are they both of age? A Yes sir.
Q Are either of them married? A One of them has been married since
she enrolled, Maude. She unfortunately failed to get a good man
and has not been living with him for quite a while.
Q What is the reason they are not present in person to select their
own allotments? A Well, principally on account of bad weather
and not being well. All have been down with the "grippe" as
they call it and never able to come. They preferred me filing
for them anyhow, as they don't know anything about it.
Q Have you got the land?
A I selected land for them, yes sir.
Q What is the name of Maude's husband?
A His correct name I found out was Job Phillips but he married
under an assumed name, Joe Johnson.
Q Is he a citizen of the Cherokee Nation? A No sir.
Q When were they married? A I can't give the date now.
Q About when was it? A It was in February, March or April one,
two years ago.
Q In the Spring of 1903? A I think so.
Q Are they living together now? A Yes sir.
Q Have they been divorced? A No sir.
Q Why did she sign this request? A Ora J. Anderson?
A Simply because her name was down in the roll as that and she
didn't really know what her name was under the circumstances.
Of course they were lawfully married according to United States

laws but we have found since that he has a living wife down in Arkansas.

- Q A set of this testimony will be filed in Cherokee statement enrollment case No. 1854.
- - - - -

I, May Hudson, state upon oath that as stenographer to the Commission to the Five Civilized Tribes I am correctly recorded the testimony in this case and that the foregoing is a true and complete transcript of my stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.
MUSKOGEE, IND. TER. NOVEMBER 28, 1906.

In the matter of the application for the enrollment of
Senora M. B. Phillips as a citizen by blood of the Cherokee Nation.

JOSHUAY F. ANDERSON, being first duly sworn by J. E. Tidwell,
notary public, testified as follows:

- Q. What is your name? A. My name?
Q. Yes? A. Joshuay F. Anderson.
Q. What is your age? A. Fifty-seven, I believe. Born 1849.
Q. What is your postoffice address? A. Eureka.
Q. Are you a citizen by blood of the Cherokee Nation? A. No sir,
adopted citizen.
Q. You are a married man are you? A. Yes sir.
Q. What is your wife's name? A. Nancy M. Anderson.
Q. Is she a citizen by blood of the Cherokee Nation? A. Yes sir,
that's what the records show:
Q. Have you a daughter by the name of Maude A. Phillips? A. Yes sir.
Q. Is she on the final roll of this office as a citizen by blood
of the Cherokee Nation? A. Yes sir.
Q. Under what name was she enrolled? A. Maude A. Anderson.
Q. Her name, then, appears upon the final roll of citizens by
blood of the Cherokee Nation as Maude A. Anderson? A. Yes sir.
Q. Is your daughter, Maude A. Anderson, married? A. She has been
married, yessir.
Q. What is her husband's name? A. Well his correct name, the
best information I can get, is Jobe Phillips.
Q. Was this Jobe Phillips ever known by any other name, or do
you know that he ever went by any other name besides Jobe
Phillips? A. Well he went by the name of Joe Johnson in
this country.
Q. He gave that as his name at the time he married your daughter,
did he? A. Yes sir.
Q. But you have made inquiry into the matter, and to the best of
your knowledge, Joe Johnson is not his proper name, you
have found that his proper name is Jobe Phillips? A. Yes sir.
Q. Has your daughter, Maude A. Phillips, a child who is an ap-
plicant for enrollment under the provisions of the Act of
Congress approved April 26, 1906? A. Her child is.
Q. What is that child's name? A. Senora M. B. Phillips.
Q. Is your daughter, Maude A. Phillips, formerly Maude A. Ander-
son, the mother of this child, Senora M. B. Phillips? A.
Yes sir.

she reported the proceedings had in the above entitled cause, and
that the same is a full, true and correct transcript of her steno-

Q Were you ever married except to this wife? A Yes sir.
Q Was your former wife dead when you married this wife? A Yes sir.

Q How old is he? A He is just a year and some few months old.
Q In this official copy you present, I see the name of Walter K.

Setser, five years old: Is that your child? A Yes sir.
 Q Also Martha J.: Is that your child? A Yes sir.
 Q Were the three younger children born after you came to the Cherokee Nation? A Yes sir.

(1894 Roll, Page 1144,	33051, Francis Setser, Tallequah Dist)

Com'r. C. B. Brackinridge: The applicant applies for the enrollment of himself, wife and ~~six~~ five children. He is shown to have been admitted as a citizen of the Cherokee Nation by Act of the Cherokee Council on January 3rd, 1891. The official evidence is filed herewith. He is identified on the rolls of 1894 and 1896: He has lived in the Cherokee Nation ever since his admission in 1891, and he will be listed for enrollment as a Cherokee by blood.

He is shown to have married his wife under United States law in 1884: An official copy of the license and certificate is filed herewith. He states that he was once previously married, but that his former wife was dead when he married his present wife; that his present wife was not previously married: She has lived with him ever since their marriage: She is a white woman: She is identified with her husband and children on the roll of 1896: They have not been remarried since the applicant's admission to Cherokee citizenship: In as much as the Cherokee Representatives contend that a woman not remarried under these conditions does not become a citizen of the Cherokee Nation, she will now be listed for enrollment upon a doubtful card as a Cherokee by adoption, for the further consideration of that point. The final decision of the Commission will be made known to the applicant as his Postoffice address.

Of the five children named in the testimony, the first four are identified with their parents on the roll of 1896: They are living, and will now be listed for enrollment as Cherokees by blood.

When a certificate is filed of the birth of the youngest child, Albert A., this child also will be listed for enrollment as a Cherokee by blood.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Subscribed and sworn to before me this 7th day of December, 1900.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the applications for the enrollment of Arthur Valentine Taylor, et al., as citizens by blood of the Cherokee Nation.

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That on July 25, 1906, applications were received at this office for the enrollment as minor citizens by blood of the Cherokee Nation of Arthur Valentine, Quincy Garfield, Pleas McKinley, Lucretia Arlinta, Hobart Lee, Ethel Naoma, and Daisy Alberta Taylor, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicants herein, Arthur Valentine, Quincy Garfield, Pleas McKinley, Lucretia Arlinta, Hobart Lee, Ethel Naoma and Daisy Alberta Taylor, are the minor children of one Pleas McDonald Taylor, an alleged Cherokee by blood, and Sarah Taylor, a white woman, and possess no right to enrollment as citizens by blood of the Cherokee Nation not possessed by their said parents. It is further shown that on August 31, 1905, the said Pleas McDonald Taylor attempted to make application for enrollment as a citizen by blood of the Cherokee Nation; that on October 7, 1905, the Commissioner to the Five Civilized Tribes declined to receive or consider said application; that on June 14, 1906, a motion to reopen said case was filed, and that on September 22, 1906, said motion was forwarded to the Department for consideration with recommendation that the application of said Pleas McDonald Taylor be denied under the provisions of the Act of Congress approved May 31, 1900 (31 Stat. 221).

Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That Arthur Valentine Taylor, Quincy Garfield Taylor, Pleas McKinley Taylor, Lucretia Arlinta Taylor, Hobart Lee Taylor, Ethel Naoma Taylor and Daisy Alberta Taylor are not entitled to enrollment as citizens by blood of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

Dated at Muskogee, Indian Territory,
this _____

Commissioner.

Muskogee, Indian Territory, July 30, 1906.

Pleas McDonald Taylor,
Peggs, Indian Territory.

Dear Sir:

This office is in receipt on July 25, 1906, of applications for the enrollment as citizens of the Cherokee Nation of Arthur Valentine Taylor, born February 15, 1888, Quincy Garfield Taylor, born February 10, 1891, Pleas McKinley Taylor, born February 13, 1893, Lucretia Arlinta Taylor, born June 9, 1895, Hobart Lee Taylor, born May 2, 1898, Ethel Naoma Taylor, born May 27, 1902, and Daisy Alberta Taylor, born April 2, 1904.

Respectfully,

Commissioner.

MMP

Muskogee, Indian Territory, September 22, 1906.

The Honorable,

The Secretary of the Interior.

Sir:

There is transmitted herewith a "motion to reconsider" the claims for citizenship in the Cherokee Nation of Pleas McDonald Taylor, his brother, Allison Bradford Taylor, and sister, Isabel Spencer. This motion is made by the applicant, Pleas McDonald Taylor, and it bears no evidence of a copy thereof having been served on the attorney for the Cherokee Nation.

The records of this office show that on August 31, 1905, Pleas McDonald Taylor appeared before the Commissioner to the Five Civilized Tribes and attempted to make application for the enrollment of himself, his brother, Allison Bradford Taylor and sister, Isabel Spencer, as citizens by blood of the Cherokee Nation; that on October 7, 1905, the commissioner rendered his opinion declining to receive or consider said application, it appearing that

Secretary--2

no application had been made prior to that time for the enrollment of said applicants within the time limited by the law in force at that time. On February 10, 1906, at the request of the applicant, Pleas McDonald Taylor, the record of proceedings had in the matter of said attempted application, together with the Commissioner's opinion, was forwarded to the Department. Reference was made in the Commissioner's letter of February 10, to a certain petition and affidavits forwarded this office by the Department January 20, 1906 (I.T.D. 60473, 10621-1905), and said petition and affidavits were returned.

Reference is made in the motion to the Act of Congress approved April 26, 1906 (34 Stat., 137), with reference to the reception of applications for enrollment as citizens of the Cherokee Nation, and it is requested that the claims of these persons be "investigated under the regular rules of the Commissioner governing citizenship cases in the Cherokee Nation."

The record in this case shows that the applicant

V V

Secretary--3

Pleas McDonald Taylor admits that neither he, his brother, nor sister, have ever resided in the Cherokee Nation or have ever been recognized as citizens of said Nation by the tribal authorities thereof, or admitted to citizenship by any court or commission on citizenship; their names can not be identified on any tribal roll of the Cherokee Nation in the possession of this office, and no record can be found of their ever having been recognized as citizens of said Nation.

The application for the enrollment of these applicants made August 31, 1905, was made within the time limited by the Act of Congress approved April 26, 1906, above referred to.

The Act of Congress approved May 31, 1900(31 Stat., 221), provides:

"That said commission shall continue to exercise all authority heretofore conferred on it by law. But it shall not receive, consider, or make any record of any application of any person for enrollment as a member of any tribe in Indian Territory who has not been a recognized citizen thereof, and duly and lawfully enrolled or admitted as such, and its refusal of such application shall be final when approved by the Secretary of the Interior."

Secretary--4

It appears that under the provisions of this Act there is no authority to "receive, consider, or make any record" of the application of these persons for enrollment as citizens of the Cherokee Nation, for the reason that they have not been recognized citizens thereof and "duly and lawfully enrolled or admitted as such."

It is therefore respectfully recommended that the application of Pleas McDonald Taylor for the enrollment of himself and his brother and sister, which application is now pending before the Department, be denied, under the provisions of the Act of Congress approved May 31, 1900.

Respectfully,

Through the

Commissioner of Indian Affairs.

THE RECORDS OF THIS OFFICE SHOW: That on May 28, 1906, and

office for the enrollment, as minor citizens of the Cherokee Nation,
of Carrie McBee and Leona McBee, under the provisions of Section
two of the Act of Congress approved April 26, 1906 (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicants herein,
Carrie and Leona McBee, are the minor children of one W. E. McBee,
a non citizen of the Cherokee Nation, and Susan McBee, a regularly
enrolled citizen by blood of the Cherokee Nation, who were united
in marriage in the year 1902; that the said Carrie McBee and

and November 28, 1904, respectively, and were living March 4, 1906.

Section two of the Act of Congress approved April 26, 1906,
(34 Stat. 137), in part provides:

"That for ninety days after approval hereof
applications shall be received for enrollment of
children who were minors living March fourth, nine-
teen hundred and six, whose parents have been en-
rolled as members of the Choctaw, Chickasaw, Chero-
kee, or Creek tribes, or have applications for enroll-
ment pending at the approval hereof, and for the pur-
pose of enrollment under this section illegitimate
children shall take the status of the mother, and
allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the pro-
visions of Section two of the Act of Congress above noted, Carrie
McBee and Leona McBee are entitled to enrollment as citizens by
blood of the Cherokee Nation, and their applications for enrollment
as such are accordingly granted.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON.

March 26, 1901.

The Honorable,

The Secretary of the Interior.

Sir:

Referring to Department letter of March 19, 1901, and to office report of March 25, 1901, transmitting the Commission's report of December 3, 1900, forwarding the memorandum relative to the application of certain parties for enrollment as citizens of the Chickasaw Nation, there is enclosed herewith the memorandum relative to the application of Mary McBee for the enrollment of herself and her minor children, Elijah, George, Stella, Patrick, William and Myrtle McBee, as citizens by blood of said nation.

On August 28, 1900, she filed with the Commissioner petition relative to the application of said parties for enrollment and in said petition it is stated that Mary McBee was 44 years of age at the time of the filing of the petition; that she was born and raised in the State of Missouri; and that she resided therein until the year 1886, when she removed to the Indian Territory where she has since resided.

In said petition the allegation is made that in 1897 she employed one John W. Black, an attorney residing at South McAlester to prosecute her claim for citizenship before the Commission; that afterwards she became dissatisfied with the management of her case by said Black and employed Frank A. Ross,

of Hartshorne, I. T. that she supposed her application for enrollment had been filed with the Commission; and that when she learned the status of her case it was too late to file a new petition in said case and in her affidavit attached to said petition it is stated "that on the 13 day of October, 1899, petitioner presented herself before the Dawes Commission at Tuskahoma" and asked for the enrollment of herself and her minor children as Chickasaw Indians and that the Commission refused her request.

The memorandum in this case shows that the name of the applicant and the names of her minor children do not appear upon any of the tribal rolls of the Chickasaw Nation; that said parties never made application to the Chickasaw tribal authorities for citizenship in that nation; that they have not been recognized by the authorities of the Chickasaw Nation as citizens of said nation; that neither the applicant nor anyone else made application to the Commission for the enrollment of said parties as citizens of said nation under the provisions of the act of June 10, 1896; and that the husband of the applicant, the father of these minor children, is a white man.

On October 1, 1900, the Commission rendered its decision in said case holding that the parties above mentioned were not, under the provisions of the act of May 31, 1900, relative to enrollment, entitled to citizenship in said nation. The office is unable to state whether the directions contained in Department letter of October 4, 1900, have been complied with

by the Commission, but it is presumed that they have.

The office is of the opinion that the action of the Commission under the provisions of the act of May 31, 1900, in refusing to enroll said parties is correct and that it should be approved. It is therefore respectfully recommended that the Commission's decision be approved and the Commission so advised.

Very respectfully,

Your obedient servant,

W. A. Jones,

Commissioner.

Muskogee, Indian Territory.

Gentlemen:

With this letter of March 26, 1901, the Commissioner of Indian Affairs transmitted the memorandum made by the Commission in the matter of the application of Mary McBee for the enrollment of herself and her six children as citizens by blood of the Chickasaw Nation.

You found, in rendering your decision rejecting the application under the provisions of the act of May 31, 1900 (31 Stat., 221, 236), that the applicants have never been enrolled by the Chickasaw authorities, that their names do not appear upon any of the rolls of the nation now in your possession, and that they were never admitted to citizenship by the authorities of said nation, by the Commission or by the United States court.

The Commissioner recommends that your action be approved. The Department concurring, your decision is hereby affirmed. You will so advise the party. A copy of the Commissioner's letter is inclosed.

Ind. Ter. Div.

In the matter of the application for the enrollment of
Jesse Sanders as a citizen by blood of the Cherokee Nation.

D E C I S I O N.

--oOo--

The record in this case shows that on April 26, 1902, James Sanders appeared before the Commission at Swimmer, Indian Territory, and made application for the enrollment, among others, of Jesse Sanders, as a citizen by blood of the Cherokee Nation. The other parties to the application are differently classified and are not embraced in this decision.

The evidence shows that the said Jesse Sanders is the minor child of James Sanders, a Cherokee by blood, and his wife, Dora Sanders, a white woman, who were lawfully married on February 11, 1897. The said James Sanders is identified on the 1880 authenticated tribal roll of the Cherokee Nation, and the Cherokee Census roll of 1896. The said Jesse Sanders is identified by birth affidavit on file with this Commission.

The evidence further shows that the said James Sanders has resided in the Cherokee Nation all his life, and it is considered that the residence of the minor child, Jesse, has been that of his father since birth.

It is, therefore, the opinion of this Commission that Jesse Sanders should be enrolled as a citizen by blood of the Cherokee Nation, in accordance with the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

Dear Madam:

In connection with the application for the enrollment of your child, Clarence William Connally, as a citizen of the Cherokee Nation, you are advised that you have been identified upon the records of this office as a duly enrolled citizen of the Cherokee Nation, under the name of Bettie Connally. Your name appears throughout the affidavit as to said child's birth as Elizabeth R. Connally.

There is enclosed herewith a blank form of birth affidavit which you are requested to properly execute and return to this office, your name to appear throughout said affidavit as Bettie Connally. This matter should receive your immediate attention.

You are requested to return this letter with the affidavit.

Mrs. Bettie Connally,

Dear Madam:

In reply to your letter of January 9, asking to be advised if you can be permitted to make an allotment selection for your minor child, Clarence William Connally, you are advised the records of this office show that the name of your child has not yet been placed upon a schedule of citizens of the Cherokee Nation and approved by the secretary of the Interior. The records seem to show, however, that your child is, prima facie, entitled to enrollment, and if this be correct, you will be permitted to appear at any time in the near future and make an application for the selection of an allotment of land in the Cherokee Nation for your said child, and in the event of his final enrollment, the land for which you apply will be allotted to him.

You will be promptly informed when your child

Mrs. B.C.-2

is finally enrolled as a citizen of the Cherokee Nation.

You also ask to be advised as to the rights of your mother, whose name you do not give, to enrollment as a citizen by intermarriage of the Cherokee Nation.

In reply you are advised that the Supreme Court of the United States, by its decision of November 5, 1906, held that white persons who intermarried according to Cherokee law with Cherokee citizens, prior to November 1, 1875, are entitled to enrollment as citizens by intermarriage of the Cherokee Nation.

If your mother claims to be entitled to enrollment under the Court's decision, she should appear before the Commissioner at Muskogee, Indian Territory, at once, and submit such testimony as she desires relative to her marriage to her Cherokee husband by reason of her marriage to whom she claims the right to enrollment, and as to the date of her marriage to him.

The Act of Congress approved April 26, 1906, provides that the Secretary of the Interior shall have no jurisdiction to approve the enrollment of any person as a citizen of the Cherokee Nation, after March 4, 1907, and

Mrs. B.C.-3

the matter of her enrollment should, therefore, receive immediate attention.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Lillie Moffett Dodson as a citizen by blood of the Cherokee Nation.

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That on June 12, 1906, application was received at this office for the enrollment as a minor citizen by blood of the Cherokee Nation of Lillie Moffett Dodson, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Lillie Moffett Dodson, is the minor child of one James S. Dodson, a white man, and Lillie M. Dodson, an alleged Cherokee by blood, and possesses no right to enrollment as a citizen by blood of the Cherokee Nation not possessed by her said parents. It is further shown that on September 5, 1896, application was made to the Commission to the Five Civilized Tribes acting under the provisions of the Act of Congress approved June 10, 1896 (29 Stat., 321) for admission to citizenship in the Cherokee Nation, of, among others, said Lillie M. Dodson; that said application was granted by the Commission; that an appeal was taken therefrom to the United States Court for the Northern District of the Indian Territory, and that the decision of the Commission was reversed by the Court, and the applicants denied. It is further shown that on December 18, 1905, a motion to reopen said case was filed with the Commissioner to the Five Civilized Tribes, and that on August 9, 1906, said motion was forwarded to the Department for consideration, with recommendation that the same be denied.

Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That Lillie Moffett Dodson is not entitled to enrollment as a citizen by blood of the Cherokee Nation, and her application for enrollment as such is accordingly denied.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Tokay E. Hood as a citizen by blood of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on June 12, 1906, application was received at this office for the enrollment, as a minor citizen of the Cherokee Nation, of Tokay E. Hood, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137). Copies of certain proceedings had at Sallisaw, Indian Territory, August 9, 1900, and at Muskogee, Indian Territory, October 17, 1902, before the Commission to the Five Civilized Tribes, in the matter of the application for the enrollment of Dennis Hood, et al., as citizens of the Cherokee Nation, are filed herewith and made a part of the record herein.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Tokay E. Hood, is the minor child of one Dennis Hood, a regularly enrolled citizen by blood of the Cherokee Nation, and Zoe Hood, a non citizen white woman, who were united in marriage in the year 1897; that the said Tokay E. Hood was born as the result of said union February 11, 1903, and was living March 4, 1906.

Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

It is further shown that said Dennis Hood was married prior to his marriage to said Zoe Hood, and that his former wife was living at the time of his marriage to said Zoe Hood, and it does not satisfactorily appear whether or not he had been divorced from his former wife at the time of his said marriage. Attention

is, however, called to Section 692 of the compiled laws of the Cherokee Nation, which is as follows:

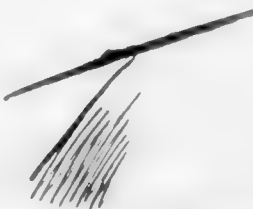

"All marriages which are herein prohibited on account of consanguinity between the parties, or on account of either of them having a former husband or wife then living, shall be absolutely void in this Nation, without any judgment of divorce or other legal proceeding; provided that the issue from such unlawful marriage shall nevertheless be legitimate; provided, also, that when a man, having by a woman one or more children, shall afterwards intermarry with such woman, such child or children, if recognized by him, or proven to be his, shall thereby be legitimate;"

and to section 2526 of Mansfield's Digest of the Laws of Arkansas, which was extended over and made applicable in the Indian Territory and over all persons residing therein by the Act of June 7, 1897 (30 Stat. L. 83), which section is as follows:

"The issue of all marriages deemed null in law, or dissolved by divorce, shall be deemed and considered as legitimate."

Under the said provisions the said applicant, Tokay E. Hood, should be considered the legitimate offspring of said Dennis Hood.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section two of the Act of Congress above noted, Tokay E. Hood is entitled to enrollment as a citizen by blood of the Cherokee Nation, and her application for enrollment as such is accordingly granted.

Dear Sir:

Your letter to me of Dec. 6, relative to the enrollment of my daughter Ida J. Howard, is got misplaced somehow and I cannot find it so cannot return it unless I find it after I go home.

As to the two witnesses present at the time our child, Ida J. Howard, was born will say there was no one present except myself and Mrs. Mary Parrish, whose name is signed to the enclosed papers - so I cannot get but the one witness to that effect, but can get witnesses to the effect that the child is still living. The child is with us today at Mr. Geo. E. McCulloch's office in Vinita, I. T. and as I stated before in the other application, I was the attending physician myself.

Respectfully,

Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Mary Bob as a citizen by blood of the Cherokee Nation.

D E C I S I O N

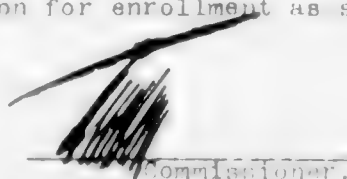

THE RECORDS OF THIS OFFICE SHOW: That on June 12, 1906, application was received at this office for the enrollment as a minor citizen of the Cherokee Nation of Mary Bob, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Mary Bob, is the minor child of one Johnson Bob, deceased, a non citizen of the Cherokee Nation, and Emeline Lemblese Nash, (formerly Bob), a regularly enrolled citizen by blood of the Cherokee Nation, whose name appears upon the approved partial roll of citizens by blood of the Cherokee Nation, opposite No. 31267, as a Cherokee by blood; that the said Mary Bob was born to them August 3, 1903, and was living March 4, 1906. The evidence further shows that said Mary Bob has been enrolled by the Kiowa Indian Agency at Anadarko, Oklahoma Territory, as a member of the Wichita and Affiliated Bands of Indians, and has received annuity from said Indian Agency; it is further shown that all the allottable lands of said Wichita and Affiliated Bands of Indians were allotted prior to the birth of said Mary Bob, and that said Mary Bob has received no allotment therefrom.

Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section two of the Act of Congress above noted, said Mary Bob is entitled to enrollment as a citizen by blood of the Cherokee Nation, and her application for enrollment as such is accordingly granted.

Sir:

This is to acknowledge receipt of your letter of the 13th instant, enclosing a copy of letter from William H. Nash, of Copan, Indian Territory, dated June 3, 1906, in reference to the enrollment of his minor step-child, May Bob, as a citizen of the Cherokee Nation, of which Nation her mother, Emeline Lemblese Bob, is enrolled as a citizen by blood.

Replying, you are informed that this child, Mary Bob, whose deceased father, Johnson Bob, was a member of the Wichita and Affiliated Bands of Indians of this Agency, is enrolled at this Agency with the other children of Johnson Bob, deceased, by Emeline Lemblese Bob, and its mother was paid its share of a payment made by me last month to the members of its tribe.

The ~~affidavit~~ affidavit of the birth of this child was executed and returned to the mother in care of Mr. W. H. Nash on the 7th of last month.

I can see no objection to the relinquishment of this child's rights because of its Wichita blood in order to enrol it as a member of the Cherokee Nation with its mother, as she wishes, if you concur.

Very respectfully,
John P. Blackmore

Gentlemen:

Referring to Enclosures. My Marriage
Licence appears to have been lost in
The United States Mail, as The Clerk
Who had it for record says it was
mailed to Elder Towny, who had
neglected some Clerical technicality,
and Elder J. H. Towny says he never
received it, and has not had it in
his possession since mailing it to the
Clerk for recording. This leaves us

will help us out of the dilemma.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
JAMES KILLER as a citizen by blood of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on June 12, 1906, application was received at this office for the enrollment, as a minor citizen of the Cherokee Nation, of James Killer, under the provisions of Section two, of the Act of Congress approved April 26, 1906 (34 Stats., 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, James Killer, is the minor child of one Rollin Killer, a regularly enrolled citizen by blood of the Cherokee Nation, and Maggie Killer, who can not be identified as a regularly enrolled citizen by blood of the Cherokee Nation, or having application for enrollment pending; that said James Killer was born to them April 26, 1905, and was living March 4, 1906; that although this office has at different times requested, and made special effort to secure, sufficient proof of the marriage of said Rollin Killer and Maggie Killer, and the legitimacy of said child, James Killer, said evidence has not been furnished, and this office has not been able to procure the same.

Section two, of the Act of Congress approved April 26, 1906 (34 Stats., 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section two, of the Act of Congress above noted, James Killer is not entitled to enrollment as a citizen by blood of the Cherokee Nation, and his application for enrollment as such is accordingly denied.

Muskogee, Indian Territory, March 1, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

On February 28, 1906, this office transmitted the record in the matter of the application of James Killer for enrollment as a citizen by blood of the Cherokee Nation under Section 2 of the Act of Congress approved April 26, 1906 (34 Stat. L. 137), together with a decision denying said application. In said decision it was stated that while it appeared that James Killer's father, Rollin Killer, was ^a regularly enrolled citizen by blood of the Cherokee Nation opposite Roll No. 21114, his mother, Maggie Killer, could not be identified as an enrolled citizen and there was not sufficient evidence to show that the said James Killer, the applicant, was the legitimate child of said Rollin Killer.

On March 1, 1907, an employee of the Commissioner who had been in the field for several days investigating the cases of new born children of full blood citizens of the Cherokee Nation who are opposed to enrollment in which this office had insufficient evidence to enroll, returned to the office and testified as to

information which he had obtained in regard to the minor applicant, James Killer. From said testimony it appears that he had seen the mother of the minor child and obtained certain information from her as to her parents and her former name, under which she is enrolled. From said information this office identified the mother of the said minor applicant, James Killer, as Maggie Gonzalis, who appears upon the approved roll of the Cherokee Nation opposite No. 20487. A copy of said testimony is herewith inclosed.

Inasmuch as it now appears that both the father and mother of the said minor applicant, James Killer, are regularly enrolled citizens of the Cherokee Nation, it is clear that the said minor applicant is entitled to enrollment and I recommend that my decision of February 28, 1907, rejecting the application be not concurred in by the Department, and that the said applicant, James Killer, be enrolled.

I have prepared and transmitted herewith a partial schedule containing the name of said applicant. It will be noted that no roll number has been given the person whose name appears upon said schedule. This action is taken in accordance with procedure reported by me to the Department on January 28, 1907, and approved by the Department by its telegram of February 9, 1907. If the Department concurs in my recommendations contained

3--

in the preceding paragraph, I further recommend that a number be placed upon the schedule in consecutive order by Mr. McGarr, the employee of my office now in Washington, and that the schedule receive the approval of the Department.

His application for enrollment is granted, and the schedule bearing hisname, received with your letter, has been approved and will be disposed of in the usual manner. Dear Sir:

In reply to your letter of January 9, asking to be advised as to the enrollment of your minor child, Jess Peak as a citizen of the Cherokee Nation, you are advised the records of this office show that the name of your child has not yet been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that your child is, prima facie, entitled to enrollment, and if this be correct, you will be permitted to appear at any time in the near future and make an application for the selection of an allotment of land in the Cherokee Nation for your said child, and in the event of his final enrollment, the land for which you apply will be allotted to him.

You will be promptly informed when your child is finally enrolled as a citizen of the Cherokee Nation.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES,
VINITA, I.T., OCTOBER 24, 1900.

In the matter of the application of James Wilbert Smith for the enrollment of himself, wife and child as citizens of the Cherokee Nation, said Smith being sworn by Commissioner C. R. Breckinridge testified as follows:

- Q Give me your full name? A James Wilbert Smith.
Q How old are you? A 19.
Q What is your post office? A Will.
Q In what district do you live? A Delaware.
Q Who is it you want to have put on the roll? A Myself, wife and child.
Q Do you apply for yourself as a Cherokee by blood? A Yes, sir.
Q How long have you lived in the Cherokee Nation? A All my life.
Q What was the name of your father? A J. W. Smith.
Q Dead or alive? A Alive.
Q What is the name of your mother? A Laura.
Q Dead or alive? A Alive.
Q What is the name of the child? A Homer.
Q How old is the child? A Nine months old.
Q What is the name of its mother? A Laura W.
Q Is she dead or alive? A Alive.
Q Is she a white woman? A Yes, sir.
Q When did you marry her? A 1898.
Q Have you a certificate of your marriage? A Not with me.
Q What was her maiden name? A Duggins.
Q How old is she? A 23.
Q Was she never married before? A No, sir.
Q Have you someone here who knows of your marriage? A No, sir.

1880 enrollment; page A 314, #2547, Emma Smith, Delaware.
1880 enrollment; page 314, #2546, J. W. Smith, Delaware.
1898 enrollment; page 530, #2773, James W. Smith, Delaware.

Com'r Breckinridge:--The applicant applies for the enrollment of himself, his wife and one child. He is identified on the roll of 1880. He is too young to be on the roll of 1880. He is a native Cherokee and has lived in the Cherokee Nation all his life. His father and mother are identified on the roll of 1880. He will now be listed for enrollment as a Cherokee by blood.

He states that he was married to his wife, a white woman, in 1898, but does not present proof of the marriage at the present time. He is enjoined to send to the Commission a certificate of their marriage. His wife being married to him after the Cherokee law of 1880, the application for her enrollment is rejected.

When the Commission is supplied with a proper certificate of the birth of Homer, nine months of age, this child's application will be placed upon a doubtful card, to await evidence of the mother's marriage as stated in the testimony, which evidence is desired--a proper certificate of the marriage.

---ooo00ooo---

J. O. Roseau, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Warner, Indian Territory.

In reply to your letter of January 12, 1907, asking to be advised if you can be permitted to make an allotment selection for your minor child, Nathan Franklin Tinney, you are advised the records of this office show that the name of your child has not yet been placed upon the schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show however that your child is prima facie entitled to enrollment, and if this be correct, you will be permitted to appear at any time in the near future and make an application for the selection of an allotment of land in the Cherokee Nation for your said child, and in the event of his final enrollment, the land for which you apply will be allotted to him.

You will be promptly informed when your child is finally enrolled as a citizen of the Cherokee Nation.

Respectfully,

E.R.O.

Subject:
Enrollment of Alta May
Brassfield, a Cherokee.

Muskogee, Indian Territory, August 30, 1907.

Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Receipt is acknowledged of Indian Office letter of August 21, 1907 (I.T.D. 69588-1907), inclosing for report a letter from John Brassfield of Mufaula, Indian Territory, dated August 12, 1907, concerning the application for the enrollment of his child, Alta May Brassfield. He states that the application was made about four years ago when his child was about a year old; that the "Dawes Commission reported that the application reached them," but that "since then we have been informed that the Dawes Commission has misplaced the application." He further states that the child is now living and is about five years of age; that he has other children full brothers and sisters of Alta May Brassfield, and that all have received allotments of land. He asked to be advised what steps to take in the matter.

In reply you are advised the records of this office show that on December 11, 1900, John Brassfield made applica-

tion for the enrollment of himself and children, Jay and Abner Brassfield as citizens by blood of the Cherokee Nation; that subsequent to said application and on January 28, 1901, there were filed affidavits as to the birth of his said children on August 3, 1898, and April 20, 1900, respectively, and that their names appear upon the approved roll of Cherokee citizens opposite Nos. 15360, 25235 and 25236, respectively.

The records of this office further show that on September 1, 1904, an application in affidavit form was received by the Commission to the Five Civilized Tribes for the enrollment of Alta May Brassfield, child of said John Brassfield and his wife, Mary Brassfield, who is also the mother of the above named children, the affidavit showing that said Alta May Brassfield was born June 16, 1902, and living on the date of the execution of the affidavit on August 24, 1904. The receipt of said application was acknowledged on September 27, 1904, and Mr. Brassfield was advised that the records of the Commission failed to disclose that application was ever made prior to that time for the enrollment of his said child, and he was further advised the provision of Section 30 of the Act of Congress approved July 1, 1902, which provides, in part, as follows:

" . . . the application of no person whomsoever for enrollment shall be received after the thirty-first day of October, nineteen hundred and two."

Commissioner of Indian Affairs--3

This letter was addressed to John Brassfield at the postoffice given in the application for this child, Wagoner, Indian Territory, and was returned by the Postmaster marked "Unknown."

The records of this office fail to show that any further action in regard to the enrollment of Alta May Brassfield was taken by the Commission, or the Commissioner, to the Five Civilized Tribes.

The records further show that on June 23, 1906, application was made for the enrollment, under the provisions of the Act of April 26, 1906, of Clarence Raymond Brassfield, born October 31, 1904, child of said John and Mary Brassfield. The receipt of the application for the enrollment of this child was acknowledged to Mr. Brassfield at his present postoffice, Mufaula, Indian Territory, and the name of said child appears upon the approved roll of minor citizens opposite No. 3788.

July 23, 1907 (I.T.D. 59745-1907), the Acting Commissioner of Indian Affairs in reporting on a communication from the Commissioner to the Five Civilized Tribes, dated June 28, 1907, regarding a few enrollment cases that were called to his attention since March 4, 1907, states that

"It appears from the Commissioner's letter that the parties mentioned by him are entitled to enrollment and that for various reasons their names were not placed on the roll. As it appears to be thoroughly established that

Commissioner of Indian Affairs--4

they are as much entitled to enrollment as any of the citizens of the tribes to which they belong, and as there is no existing law by which they can be enrolled, it is recommended that the list be preserved and that the Commissioner to the Five Civilized Tribes be requested to investigate further similar cases to the end that relief may be afforded to all such persons by a special act of Congress, authorizing the placing of their names on the rolls of citizens of the nations to which they belong."

This recommendation was approved by the Acting Secretary of the Interior on July 25, 1907.

Section 1 of the Act of Congress approved April 26, 1906, provides in part as follows:

"That after the approval of this Act no person shall be enrolled as a citizen or freedman of the Choctaw, Chickasaw, Cherokee, Creek, or Seminole tribes of Indians in the Indian Territory, except as herein otherwise provided, unless application for enrollment was made prior to December first, nineteen hundred and five, and the records in charge of the Commissioner to the Five Civilized Tribes shall be conclusive evidence as to the fact of such application."

The application for the enrollment of Alta May Brassfield was retained among the records in the citizenship case of John Brassfield and his children but no record was made of the same and it was not discovered until after the closing of the rolls on March 4, 1907. The application having been received by the Commission to the Five Civilized Tribes on September 1, 1904, was, of course, received within the time limited by the Act of April 26, above quoted. Had this application been discovered prior to the closing of the rolls the child's case would have been investigated and its right to enrollment adjudicated.

Commissioner of Indian Affairs--5

I therefore respectfully recommend that this case be investigated and that if Alta May Brassfield is found to have been living on September 1, 1902, and entitled to enrollment on that date, her name be added to the list above mentioned to be preserved with a view to asking Congress to afford the persons thereon relief by a special act authorizing the placing of their names on the roll of citizens of the Cherokee Nation.

In connection with this matter there are two other classes of cases I desire to call to the attention of the Department and ask its instructions as to the procedure to adopt in connection therewith. (First) There were a number of applications received under the different acts of Congress for enrollment in the different tribes of persons (almost exclusively of the full blood class) who were opposed to the making of the rolls of their tribes, and the allotment of their lands; and (Second) those persons who would have been probably entitled to enrollment in the different tribes had an application been made for their enrollment within the time provided by law.

As to the first class the Department is well aware of the difficulties experienced in endeavoring to secure their enrollment, having met with all possible opposition on the

Commissioner of Indian Affairs--6

citizens' part in endeavoring to secure information as to their right to enrollment. There were not many of these full bloods (a majority of whom are minors) in each tribe concerning whom sufficient information could not be secured to enable the Commissioner to render a favorable decision, and as to them, when the time for closing the rolls drew near, they were denied for lack of information to determine their right to enrollment. The Department has at all times been unable to impress upon these recalcitrants the importance of enrollment and has tried most assiduously to prevent them from being left off the rolls. The right of these full bloods to enrollment has never been questioned and I believe, and so recommend, that the citizenship records of the different tribes should be examined to find what applicants belong to the first class herein mentioned and that their rights to enrollment in the different tribes be investigated and if found to have been entitled to enrollment their names be added to the list herein mentioned with a view to asking relief for them.

As to the second class I recommend that no action be taken by the Department with a view of affording them relief. At all times the widest publicity has been given of the different acts of Congress authorizing the enrollment of the citizens of the Five Civilized Tribes, and every convenience possible has been afforded the citizens to make applications for

Commissioner of Indian Affairs--7

enrollment. There are probably very few cases coming within this class who have failed to avail themselves of the privilege of applying for enrollment, and I believe it would be inadvisable, considering the matter in every light, to ask Congress to authorize the reopening of the rolls in order that they might be enrolled.

The letter of Mr. Brassfield, inclosed with your letter, is returned herewith.

Respectfully,

LS Incl. GL-40.

Acting Commissioner.

Cherokee NB 3273

Muskogee, Indian Territory, October 16, 1907.

John Brassfield,
Bufaula, Indian Territory.

Dear Sir:

Your letter of August 12, 1907, concerning the application for the enrollment of your child Alta May Brassfield was forwarded to this office by the Commissioner of Indian Affairs on August 21, 1907, with the request that a report be made as to what the records of this office show relative to the enrollment of your said child. August 30, 1907, this office advised the Department that on September 1, 1904, an application in affidavit form was received by the Commission to the Five Civilized Tribes for the enrollment of your said child; that the receipt of the application was acknowledged to you on September 27, 1904, with the advice that the records failed to show that any application was ever made prior to that time for the child's enrollment and you were quoted the law which provided that the application of no person for enrollment as a citizen of the Cherokee Nation should be received after October 31, 1902; that the letter of acknowledgment was addressed to you at Wagoner, Indian Territory, and returned by the Postmaster marked "unknown", and

the records failed to show that any further action in regard to the enrollment of Alta May Brassfield was taken by the Commission or the Commissioner to the Five Civilized Tribes. Said application was in the possession of the Commissioner prior to the closing of the Cherokee rolls, but it was not, possibly through oversight, acted upon.

The Commissioner in his letter of August 30, 1907, recommended that the case of your child be investigated, and if it is found that she was entitled to enrollment that Congress be requested to enact legislation authorizing the placing of her name on the roll of citizens by blood of the Cherokee Nation. The Commissioner's recommendation was concurred in by the Commissioner of Indian Affairs on September 10, 1907, and was approved by the Department September 11, 1907.

You are therefore requested to furnish this office at the earliest practicable date with affidavits of the mother of this child and the physician or midwife in attendance at its birth, showing when the child was born and whether or not it is living at the present time. In addition to such affidavits, you are requested to furnish other affidavits of acquaintances of the child to corroborate any statements contained in the affidavits of its

mother and said midwife or attending physician.

For your convenience, there are enclosed herewith two blank forms of birth affidavits.

Respectfully,

Commissioner.

Emma C. Fargo

vs

William L. Fargo.

Now on this the 16th day of December, A. D. 1903 comes the Master in Chancery and files his report and testimony.

And now on this the 17th day of December, A. D. 1903, this cause coming on to be heard and it appearing to the Court that on September 22nd, A. D. 1903 the complaint herein was regularly filed, and that on said date a summons was issued for the Defendant to answer in this Court, and it appearing from the returns of the officer, that the Defendant was regularly and legally served with a copy of said summons; and the defendant is fully advised as to the pendency of this suit; And that on the 7th day of December A. D. 1903 this plaintiff caused a notice to be served upon the defendant notifying him that the deposition of witnesses to be read in evidence in this cause on the part of the plaintiff would be taken at the office of Watts & Watts in rooms 7 & 8 in First National Bank Building at Sallisaw Indian Territory on the 12th day of December, A. D. 1903 between the hours of eight o'clock in the forenoon and 6 o'clock in the afternoon; and it appearing that on said date the cause coming on for hearing before the Master in Chancery. The Plaintiff appeared both in person and by attorney at said hearing; and that the defendant failed to appear at said hearing and that the Master on said date heard the testimony of the Plaintiff and her other witnesses in her behalf; and the report of the Master having been filed herein; and the Court being fully advised in the premises doth find equities in the cause with the plaintiff; and that both plaintiff and defendant are residents of the Northern District of the Indian Territory and have been for more than one year next before the beginning of this suit; and that the plaintiff and defendant were married at Mildrow, on the 31st day of January 1900 and lived together as man and wife until the 28th day of September A. D. 1901, when the plaintiff was compelled by the treatment she received at the hands of the defendant to leave him and go to the home of her father that during the time they lived together as man and wife, the defendant was guilty of a course of abusive, neglectful and cruel treatment towards the plaintiff in a manner in comprehensible, and that he continued this treatment and neglect and committed such indignities toward the plaintiff as to render her condition intolerable.

That some time in May, 1900, the Defendant committed adultery with a woman of ill fame, the name of the said woman being unknown to either the plaintiff or the Court; And it being shown to the Court that the plaintiff is the proper and suitable person to have the care and custody of their minor child, Olive, and that the plaintiff performed the duties incumbent upon her as a wife faithfully, and that she treated the defendant in a loving and affectionate manner, and that the act of the defendant was not committed with her consent, and was not the result of any collusion between them, and that the act of adultery she has never condoned since being advised of it; that this cause of divorce existed and occurred within the jurisdiction of this Court and within the last five years, and that this Court has full and complete jurisdiction of this cause.

It is therefore ordered, adjudged and decreed by the Court that the Plaintiff, Emma C. Fargo, be granted an absolute decree of divorce from the defendant; that she be restored to her maiden name, Emma C. Nichols, and be given the care and custody and control of their minor child Olive, and that she be restored to all the rights and privileges of an unmarried woman; and that she have judgement against the defendant for all her costs in this cause.

In the matter of the application for the enrollment of
Gilbert H. Loflin as a citizen by blood of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on June 16, 1906, application was received at this office for the enrollment, as a minor citizen of the Cherokee Nation, of Gilbert H. Loflin, under the provisions of Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Gilbert H. Loflin, is the minor illegitimate child of one William M. Loflin, a non citizen white woman; that the said Gilbert H. Loflin was born to her out of wedlock on February 1, 1901, and was living March 4, 1906.

Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section two of the Act of Congress above noted, Gilbert H. Loflin is not entitled to enrollment as a citizen by blood of the Cherokee Nation, and his application for enrollment as such is accordingly denied.

DEPARTMENT OF THE INTERIOR,

OFFICE OF INDIAN AFFAIRS,

WASHINGTON.

February 26, 1907.

The Honorable,

The Secretary of the interior.

Sir:

I have the honor to transmit herewith a communication from the Commissioner to the Five Civilized Tribes, dated February 1, 1907, enclosing the record in the matter of the application for the enrollment of Gilbert H. Loflin as a citizen by blood of the Cherokee Nation, under the Act of April 26, 1906, (34 Stats.L., 137), together with his decision of February 1, 1907, adverse to the applicant.

The record shows that application was made for the enrollment of Gilbert H. Loflin as a citizen by blood of the Cherokee Nation, June 16, 1906, under the provisions of Section 2 of the Act of April 26, 1906, (34 Stats.L., 137). It is further shown that the applicant is the illegitimate child of one Lillian M. Loflin, a non-citizen white woman, born to her out of wedlock on February 1, 1901, and was living March 4, 1906. Section 2 of the above act provides for the receipt of application for the enrollment of minors in certain statuses, and further says that "for the purposes of enrollment under this section illegitimate children shall take the status of the mother." Since the mother is a non-citizen of the Cherokee Nation it follows that under this section of the law the child must be considered a non-citizen notwithstanding the fact that it may possess Cherokee blood.

The Office is of the opinion that the decision of the Commissioner denying the application for the enrollment of Gilbert H. Loflin as a citizen by blood of the Cherokee Nation is correct, and it is recommended that it be affirmed.

Very respectfully,

C. F. Larrabee,

Acting Commissioner.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES,
MUSKOGEE, I. T., FEBRUARY 28, 1907.

In the matter of the application for the enrollment of
HOMER PEAK as a citizen by blood of the Cherokee Nation.

ANDREW J. GARDENHIRE, being first duly sworn by W. W. Chappell, a
Notary Public, testified as follows:

ON BEHALF OF THE COMMISSIONER:

- Q What is your name? A Andrew J. Gardenhire.
Q What is your age? A 24.
Q What is your post office address? A Muskogee, I.T.
Q Have you been detailed by the Commissioner to secure certain
evidence relative to the enrollment of minor citizens of the
Cherokee Nation? A Yes sir.
Q Did you secure any information concerning the applicant herein,
Homer Peak, or his parents? A I went to Southwest City, Mo.,
which was the former home of the applicant and its parents, and
ascertained from one W. M. Graham and from Nancy M. Clay, both
citizens of the Cherokee Nation and former neighbors of the
parents of this applicant, that they had lived neighbors to
Thomas S. Peak and Daisy Peak for about 3 years; that they had
lived together as man and wife, and that they remembered them
to have been married at Pineville, Arkansas. I also saw
George W. Smith, cashier of a bank in Southwest City, who stated
that he had known Thomas S. Peak and Daisy Peak for several
years, and that he remembered that they were married about 2 3
years ago, and had always lived together as man and wife.
Q Did you learn from any of these informants of yours that they had
heard of the marriage of Tom and Daisy Peak at the time it
occurred? A W. M. Graham lived close neighbor to Thomas S.
Peak at the time of the marriage, and he remembered their coming
home to the community in which they lived and saying they had
been married at Pineville, Ark.
Q They were always considered in that community as husband and wife?
A Yes sir. Also Mr. Vergain, of Southwest City, stated that
he knew they had always lived in that part of the country as
husband and wife.
Q From the information received by you, give about the date of their
marriage, as near as you can. A The nearest I could get was
from Nancy M. Clay and W. M. Graham; they stated they couldn't
remember the exact date but they were sure it was at least 3
years ago.
Q Where are these parties at this time? A Mr. Graham said he
thought Daisy Peak, mother of the applicant, lived in Joplin,
Mo., and that Tom. S. Peak was recently in Southwest City, and
he didn't know whether he had returned to Joplin or not.
Q You found it to be, then, a matter of general information in
the neighborhood that they had lived together for at least
three years as husband and wife? A Yes sir.

(Witness excused).

FRED S. COOK, being first duly sworn by W. W. Chappell, a Notary Public, testified as follows:

- Q What is your name? A Fred S. Cook.
Q What is your age? A 32.
Q What is your post office address? A Muskogee.
Q Do you know anything of the marriage of Thomas S. Peak and his wife, Daisy Peak? A Yes sir.
Q When were they married? A I dont remember just exactly when it was, but they were married at the court house of the county seat in our county, the county where I lived at the time.
Q You do not know just when it was? A I dont remember just when it was; I know Tom Peak personally, he is a Cherokee Indian; I talked to the notary public who made out the application for his minor child, Homer Peak, about Tom furnishing proof of marriage, and he stated that the had tried to get Tom to furnish proof of his marriage, but he had never been able to get him to do it, and they were now living somewhere in Missouri.
Q Tom Peak is a Cherokee by blood? A Yes sir.
Q Is his wife a Cherokee? A No sir, she is a white woman.
Q Do you know about how long it has been since their marriage? A It has been some time.
Q What do you mean by some time? A 2 years, or more.
Q You are positive about that, are you? A Yes sir, I knew personally that they were married.
Q How did you know it? A Because I was deputy sheriff of the county in which they were married, and I was at the court house.
Q Were they recognized in the community in which they lived as husband and wife? A Yes sir.

(Witness excused).

The undersigned, upon oath, states that, as stenographer to the Commissioner to the Five Civilized Tribes, she correctly reported the above and foregoing testimony, and that the same is a full, true and complete transcript of her stenographic notes thereof.

In the matter of the application for the enrollment of
HOMER PEAK as a citizen by blood of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on June 15, 1906, application was received at this office for the enrollment as a minor citizen by blood of the Cherokee Nation of Homer Peak, under the provisions of Section Two of the Act of Congress approved April 26, 1906 (34 Stats. 137). Further proceedings in the matter of said application were had at Muskogee, Indian Territory, February 28, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Homer Peak, is the minor child of Thomas S. Peak, a regularly enrolled citizen by blood of the Cherokee Nation, whose name appears upon the approved partial roll of citizens by blood of the Cherokee Nation opposite No. 27549, and Daisy Peak, a non-citizen white woman, who were united in marriage prior to August 21, 1904; that the said Homer Peak was born to them in lawful wed-lock August 21, 1904 and was living March 4, 1906.

Section Two of the Act of Congress approved April 26, 1906, (34 Stats. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this Section illegitimate children shall take the status of the mother and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That, under the provisions of Section Two of the Act of Congress above noted, Homer Peak is entitled to enrollment as a citizen by blood of the Cherokee Nation, and his application for enrollment as such is accordingly granted.

Commissioner.

A I know of my own knowledge that they have lived together as
long as I know anything; they live within 2 miles of my father's

Q For how long? A Always; 34 years; I have known this man that
long, and I judge they were married sometime in the '80s. I

Q They are recognized in the community, of course, as husband and

man married an Indian woman they got a license.
Q Is his wife a white woman? A Yes sir.
Q Do you know this child, Evaline? A Yes sir, I have seen her.
Q Is she living at this time? A Yes sir; she was last week.

This is to certify that I am the officer having custody of the records pertaining to the enrollment of the members of the Choctaw, Chickasaw, Cherokee, Creek and Seminole Tribes of Indians and the disposition of the land of said tribes, and that the above and foregoing is a true and correct copy of the testimony of December 21, 1906, and of the affidavits of Chas. Com. to the Five Civilized Tribes,
Muskogee, Ind. Ter.

Dear Sir: There appeared before me, a notary public, this day one Lillie Walker Sevier Ruster (Rooster) Holman who made affidavit to the birth of her daughter, Bettie Ruster (Rooster)

This child looks to be a half breed and I believe that if her name is not already upon the Cherokee roll it is on account of pure ignorance on the part of her people.

Her mother and grandmother both told me the same name in Cherokee that was given the child and the mother said that in English it meant "Betty". The grandmother said that it meant "Peggy". As I do not know which I thought that her father, Jim Ruster (Rooster), may have had her enrolled in her Cherokee name or as Peggie Rooster. I could learn the child's age only by reckoning from the Cherokee payment. The date of the marriage was reckoned from the same date.

They told me that the preacher that married them under the Cherokee law had informed them that he had lost his records of marriages by fire. As he is yet living I advised them to get his affidavit and at least one witness and wrote them some blanks.

If there is any truth at all in this matter the child and mother both belong on the roll, the mother as an adopted citizen. She married one Sevier and he died even before she married Ruster (Rooster) I do know from Bettie's looks that she is a Cherokee and if her mother can prove that she is a legitimate

child she certainly deserves her rights under the law. She could not tell the exact date of her marriage but said that it was when the buds were putting out before the Cherokee payment in answer to my question was it in winter or summer.

I received no pay for writing this neither did they ask me to or even know it but I feel interested in the little girl. She is a bright looking little girl but her folks are so helplessly ignorant.

Hoping that this may help you to understand the case and be of benefit to Bettie (or Peggie) Rooster.

I am

Respt

(Mrs) Lexa L. Gibson

P.S. I told them to get the other affidavits before sending that of her birth as it was of no account without them.

Dear Sir:

Receipt is hereby acknowledged of application
for the enrollment as a citizen of the Cherokee Nation of

The part of your letter relative to filing on cer-

Dear Madam:

Referring to your letter of May 28, 1906, you are advised that a further examination has been made of the records of this office and no record can be found of any application having been made for the enrollment of Jim and Lillie Ruster, parents of Bettie Ruster, as citizens of the Cherokee Nation. The Act of Congress approved April 26, 1906 (Public No. 129), provides that only minor children living March 4, 1906, born to enrolled citizens of the Cherokee Nation, or who had applications for enrollment pending at the date of the approval of said Act should be enrolled as citizens of the Cherokee Nation. It does not appear, therefore, that, unless it can be shown that the father or mother had applications for enrollment as citizens of the Cherokee Nation pending on April 26, 1906, this office has any authority to consider an application for the enrollment of said child. If they claim to have had such applications pending on that date they will be permitted to appear before the Commissioner on Thursday September 20, 1906, when sufficient

testimony will be taken for the purpose of determining whether or not they had such applications pending.

Respectfully,

H.J.C.

Acting Commissioner.

Muskogee, Indian Territory, October 20, 1906.

Lexa L. Gibson,

Blackgum, Indian Territory.

Dear Madam:

On August 28, 1906, this office, referring to the application made for the enrollment of your minor child Bettie Ruster, as a citizen of the Cherokee Nation, advised you that no record could be found of any application having been made for your enrollment or for the enrollment of the father of said child as a citizen of the Cherokee Nation, and that you would be permitted to appear before the Commissioner to the Five Civilized Tribes on September 20, 1906, at which time sufficient testimony would be taken to determine whether or not an application was made for the enrollment of either parent of said child within the time limited by law. You failed to appear on that date and you are now advised that you will be given an opportunity to appear before the offices of the Commissioner at Muskogee, Indian Territory, on Thursday, November 1, 1906, for the purpose of introducing testimony tending to show what right, if any, your said child has to enrollment as a citizen of the Cherokee Nation.

Respectfully,

Dear Madam:-

This office is in receipt of your letter of November 6, 1906, in further reference to the enrollment as a citizen of the Cherokee Nation of your minor child, Bettie Ruster. You also ask to be advised if it will be necessary for you to appear before the Commissioner in connection with said child's enrollment.

In reply you are advised, as you have been heretofore, that until you appear before the Commissioner, in order that your testimony may be taken tending to show whether any application was ever made to the Commission to the Five Civilized Tribes or to the Commissioner for the enrollment of yourself or said child's father, within the time limited by law, no action will be taken looking to the determination of the child's right to enrollment as a citizen of the Cherokee Nation.

You have heretofore been advised that the records of this office fail to show that any application was ever made prior to December 1, 1905, for the enrollment of yourself or said child's father as a citizen of the Cherokee nation.

If your child is entitled to enrollment as a citizen of

L.H.---#2.

the Cherokee Nation evidence should be introduced in its behalf at the very earliest practicable date, and the matter should, therefore, receive your immediate attention.

Respectfully,

- Q Give me your full name? A John W. Witt.
Q How old are you? A Thirty three.
Q What is your occupation? A Farmer.
Q In what district do you live? A Delaware.
Q Who is it you want to have enrolled; yourself and family?

Q Give me the name of your wife? A Ellen Witt.
Q How old is she? A She is twenty I believe.
Q When did you marry her? A A little over a year ago.
Q Have you a certificate of your marriage? A Yes sir.

Com'r. C. R. Breckinridge: The applicant claims to be a licensed, registered by the Clerk of the United States Court for the Northern District of the Indian Territory, authorizing marriage between himself and Miss Ellen Witt, May 20th, 1898, and the certificate shows that they were married three days thereafter by the Reverend T. J. Sullivan. This is filed herewith.

(1890 Roll, Page 491, 1900, John Witt, Chickasaw District)
(1890 Roll, Page 10, 1892, John W. Witt, Delaware District)

Q What is the name of your wife? A Ellen Witt.

Com'r. C. R. Breckinridge: The applicant applies for the enrollment of himself, his wife and two children. He represents that on the rolls of 1890 and 1892 he is a native Cherokee. He has lived in the Cherokee Nation all his life, and he will be listed for enrollment as a Cherokee by blood.

It is shown that he was married to this wife in accordance with the local custom and certificate filed herewith on the 20th, 1898. They have lived together ever since. Neither was previously married, but their marriage is too late under the Cherokee law of December 1st, 1895, to entitle her to enrollment. Therefore, the application for her enrollment is rejected.

That he files proper certification of the birth of his two children, Naomi and Rufus Witt, children of this marriage, the same will be listed for enrollment as Cherokees by blood.
